Dear Ralph -

My brother, Dave, has just written me that he is to make the invocation at the cremations on May 18 and suggests we attend too. He states, however, that the place is "Madison Ave", and encloses a letter from you which would indicate that. I think he must be confused, so this letter to you. Will you drop me a line here, and also send word to him, just where the ceremony will be held? I should assume it would be at University Heights but may, of course, be wrong. I enclose his letter to me.

How are you, Ralph? I keep in regular touch with your public activities through the public press. Would it be all right for me and Carolyn to come over for the occasion?

Cardially Yours,

Howard Williams
